

USING THE DATA PORTAL

The *FACT Data Portal* is located www.fact.virginia.gov under the *Research and Data* tab:

To generate a report, select an indicator by title using the links

Using the FACT Data Portal, you can build custom, downloadable reports for indicators of family violence, including:

- Line graphs showing trend data for selected localities;
- Custom data tables sorted by rate;

Step-by-step instructions are provided [here](#). These visual instructions will explain some key features of this tool including the drop-down filters, sorting options, export options and how to maximize the utility of the line graph features.

Notes:

Source & Notes

Alcohol-related arrests include driving under the influence, drunkenness, and liquor law violations. Drug-related arrests are arrests for drug/narcotics violations or drug equipment violations. These are unduplicated arrest counts in which the most serious offense leading to an arrest is the only one reported.

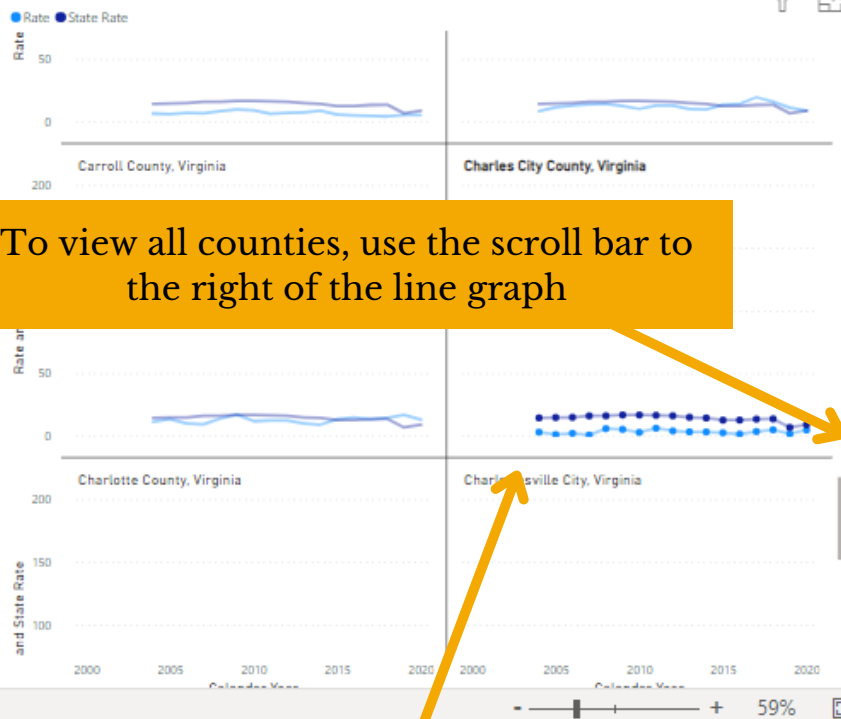

Bedford City was reincorporated into Bedford County in 2013. Bedford City will show as NA or blank from 2014 on and that data will now be captured under Bedford County.
